The Wisdom Light®

## Consulting with a Vision...Healing from the Heart... Empowerment for Life™

Featured in and Top Ranked by the Simon & Schuster book, “100 Top Psychics in America”, featured by USNews&World Report, the LA Times, Rocky Mountain News, Sacramento Bee, Buzz Magazine and on mainstream TV/Radio shows across the country, Imara specializes in Intuitive Business Consulting, yet is renown as a Healing Spiritual Teacher, an Inspiring Life Coach, a Master Hypnotherapist and across various media as an entertaining Motivational Speaker.

Possessing a degree in Economics plus an MBA from the prestigious Northwestern University, having studied international economics/political studies at the selective L’Institut d’Etudes Politiques & having made her mark in blue-chip corporations before she was 30, Imara is no ordinary psychic. Having the visionary talent of an achiever born with intuitive abilities & 25 years experience as a Holistic Practitioner and Teacher, Imara is no ordinary business advisor.

“*Creating paradigm shifts is what my practice is all about,*” says Imara. She has spent over two decades doing exactly that, through consultations, coaching, hypnotic regressions and healing energy work. Her experiential workshops, uniquely channeled and personalized meditations, unique regression sessions have created respectful fans across the globe.

A unique combination of Intelligence, Intuition, Integrity *is* Imara’s hallmark.

Whether you are a CEO or a New Age Seeker, Imara will provide you with amazingly incisive, straight-to-the-heart insight, while empowering you to break free of obstacles & discover the gifts of your own experiences.
